

All-State Orchestra Suggested String Solo Repertoire List

(Updated November 2019)

Note: The following list of standard string literature has been performed in past years by students auditioning for All-State Orchestra. The pieces have been assigned a numerical score based upon the difficulty of the piece (with 20 being the most difficult). If you have selected a piece to perform that is not on the list, simply find another piece on the list that is close to your's in difficulty. This will help you determine the score you will receive from the judges on that part of your audition.
